

ANNEX VI

EC declaration of conformity (referred to in Article 5(3))

The EC declaration of conformity must contain the following elements:

1. the name and address of the manufacturer or of its authorised representative;
2. a description of the model sufficient for its unambiguous identification;
3. where appropriate, the references of the harmonised standards applied;
4. where appropriate, the other technical standards and specifications used;
5. where appropriate, the reference to other Community legislation providing for the affixing of the CE mark that is applied; and
6. the identification and signature of the person empowered to bind the manufacturer or its authorised representative.
