

Directive 2009/125/EC of the European Parliament and of the Council of 21 October 2009 establishing a framework for the setting of ecodesign requirements for energy-related products (recast) (Text with EEA relevance)

Article 14

Consumer information

In accordance with the applicable implementing measure, manufacturers shall ensure, in the form they deem appropriate, that consumers of products are provided with:

- (a) the requisite information on the role that they can play in the sustainable use of the product; and
- (b) when required by the implementing measures, the ecological profile of the product and the benefits of ecodesign.
