

Directive 2009/125/EC of the European Parliament and of the Council of 21 October 2009 establishing a framework for the setting of ecodesign requirements for energy-related products (recast) (Text with EEA relevance)

Article 4

Responsibilities of the importer

Where the manufacturer is not established within the Community and in the absence of an authorised representative, the importer shall have the following obligations:

- (a) to ensure that the product placed on the market and/or put into service complies with this Directive and the applicable implementing measure; and
- (b) to keep and make available the EC declaration of conformity and the technical documentation.
