of 25 November 2009 on the taking-up and pursuit of the business of
Insurance and Reinsurance (Solvency II) (recast) (Text with EEA relevance)

TITLE I

**GENERAL RULES ON THE TAKING-UP AND PURSUIT OF
DIRECT INSURANCE AND REINSURANCE ACTIVITIES**

CHAPTER VIII

Right of establishment and freedom to provide services

Section 2

Freedom to provide services: by insurance undertakings

Subsection 2

Third party motor vehicle liability

Article 150

Compulsory insurance on third party motor vehicle liability

1 Where a non-life insurance undertaking, through an establishment situated in one Member State, covers a risk, other than carrier's liability, classified under class 10 in Part A of Annex I which is situated in another Member State, the host Member State shall require that undertaking to become a member of and participate in the financing of its national bureau and its national guarantee fund.

2 The financial contribution referred to in paragraph 1 shall be made only in relation to risks, other than carrier's liability, classified under class 10 in Part A of Annex I covered by way of provision of services. That contribution shall be calculated on the same basis as for non-life insurance undertakings covering those risks, through an establishment situated in that Member State.

The calculation shall be made by reference to the insurance undertakings' premium income from that class in the host Member State or the number of risks in that class covered there.

3 The host Member State may require an insurance undertaking providing services to comply with the rules in that Member State concerning the cover of aggravated risks, insofar as they apply to non-life insurance undertakings established in that State.

Article 151

Non-discrimination of persons pursuing claims

The host Member State shall require the non-life insurance undertaking to ensure that persons pursuing claims arising out of events occurring in its territory are not placed in a less favourable situation as a result of the fact that the undertaking is covering a risk, other than carrier's liability, classified under class 10 in Part A of Annex I by way of provision of services rather than through an establishment situated in that State.

Article 152

Representative

1 For the purposes referred to in Article 151, the host Member State shall require the non-life insurance undertaking to appoint a representative resident or established in its territory who shall collect all necessary information in relation to claims, and shall possess sufficient powers to represent the undertaking in relation to persons suffering damage who could pursue claims, including the payment of such claims, and to represent it or, where necessary, to have it represented before the courts and authorities of that Member State in relation to those claims.

That representative may also be required to represent the non-life insurance undertaking before the supervisory authorities of the host Member State with regard to checking the existence and validity of motor vehicle liability insurance policies.

2 The host Member State shall not require that representative to undertake activities on behalf of the non-life insurance undertaking which appointed him other than those set out in paragraph 1.

3 The appointment of the representative shall not in itself constitute the opening of a branch for the purpose of Article 145.

4 Where the insurance undertaking has failed to appoint a representative, Member States may give their approval to the claims representative appointed in accordance with Article 4 of Directive 2000/26/EC to assume the function of the representative referred to in paragraph 1 of this Article.
