## ANNEX III

### CE MARKING AND INSCRIPTIONS

1. The CE marking consists of the initials 'CE' as shown below:

The CE marking must be followed by the identification number of the notified body involved in the production control phase.

2. The appliance or its data plate must bear the CE marking together with the following inscriptions:
  - the manufacturer's name or identification symbol,
  - the trade name of the appliance,
  - the type of electrical supply used, if applicable,
  - the appliance category,
  - the last two digits of the year in which the CE marking was affixed.

Information needed for installation purposes may be added according to the nature of the appliance.

3. If the CE marking is reduced or enlarged the proportions given in the above graduated drawing must be respected.

The various components of the CE marking must have substantially the same vertical dimension, which may not be less than 5 mm.
