

Commission Directive 2009/145/EC of 26 November 2009 providing for certain derogations, for acceptance of vegetable landraces and varieties which have been traditionally grown in particular localities and regions and are threatened by genetic erosion and of vegetable varieties with no intrinsic value for commercial crop production but developed for growing under particular conditions and for marketing of seed of those landraces and varieties (Text with EEA relevance)

CHAPTER II

Conservation varieties

Section II

Seed production and marketing of conservation varieties

Article 15

Quantitative restrictions

Each Member State shall ensure that, for each conservation variety, the quantity of seed marketed per year does not exceed the quantity necessary for producing vegetables on the number of hectares set out in Annex I for the respective species.
