

Commission Directive 2009/145/EC of 26 November 2009 providing for certain derogations, for acceptance of vegetable landraces and varieties which have been traditionally grown in particular localities and regions and are threatened by genetic erosion and of vegetable varieties with no intrinsic value for commercial crop production but developed for growing under particular conditions and for marketing of seed of those landraces and varieties (Text with EEA relevance)

### *CHAPTER III*

#### *Varieties developed for growing under particular conditions*

##### *Section II*

#### *Marketing of seed of varieties developed for growing under particular conditions*

##### *Article 32*

#### **Monitoring**

Member States shall ensure by official monitoring during production and marketing that the seed complies with this Chapter, paying particular attention to the variety and quantities.
