

Commission Directive 2009/145/EC of 26 November 2009 providing for certain derogations, for acceptance of vegetable landraces and varieties which have been traditionally grown in particular localities and regions and are threatened by genetic erosion and of vegetable varieties with no intrinsic value for commercial crop production but developed for growing under particular conditions and for marketing of seed of those landraces and varieties (Text with EEA relevance)

CHAPTER II

Conservation varieties

Section I

Acceptance of conservation varieties

Article 9

Maintenance

Member States shall ensure that a conservation variety must be maintained in its region of origin.
