

ANNEX I

Safety investigation report content

3. NARRATIVE

This part reconstructs the marine casualty or incident through a sequence of events, in a chronological order leading up to, during and following the marine casualty or incident and the involvement of each actor (i.e. person, material, environment, equipment or external agent). The period covered by the narrative depends on the timing of those particular accidental events that directly contributed to the marine casualty or incident. This part also includes any relevant details of the safety investigation conducted, including the results of examinations or tests.
