

Directive 2009/22/EC of the European Parliament and of the Council of 23 April 2009 on injunctions for the protection of consumers' interests (Codified version) (Text with EEA relevance)

*Article 4*

**Intra-Community infringements**

1 Each Member State shall take the measures necessary to ensure that, in the event of an infringement originating in that Member State, any qualified entity from another Member State where the interests protected by that qualified entity are affected by the infringement, may apply to the court or administrative authority referred to in Article 2, on presentation of the list provided for in paragraph 3 of this Article. The courts or administrative authorities shall accept this list as proof of the legal capacity of the qualified entity without prejudice to their right to examine whether the purpose of the qualified entity justifies its taking action in a specific case.

2 For the purposes of intra-Community infringements, and without prejudice to the rights granted to other entities under national legislation, the Member States shall, at the request of their qualified entities, communicate to the Commission that these entities are qualified to bring an action under Article 2. The Member States shall inform the Commission of the name and purpose of these qualified entities.

3 The Commission shall draw up a list of the qualified entities referred to in paragraph 2, with the specification of their purpose. This list shall be published in the *Official Journal of the European Union*; changes to this list shall be published without delay and the updated list shall be published every six months.
