

Directive 2009/38/EC of the European Parliament and of the Council of 6 May 2009 on the establishment of a European Works Council or a procedure in Community-scale undertakings and Community-scale groups of undertakings for the purposes of informing and consulting employees (Recast) (Text with EEA relevance)

SECTION I

GENERAL

Article 1

Objective

1 The purpose of this Directive is to improve the right to information and to consultation of employees in Community-scale undertakings and Community-scale groups of undertakings.

2 To that end, a European Works Council or a procedure for informing and consulting employees shall be established in every Community-scale undertaking and every Community-scale group of undertakings, where requested in the manner laid down in Article 5(1), with the purpose of informing and consulting employees. The arrangements for informing and consulting employees shall be defined and implemented in such a way as to ensure their effectiveness and to enable the undertaking or group of undertakings to take decisions effectively.

3 Information and consultation of employees must occur at the relevant level of management and representation, according to the subject under discussion. To achieve that, the competence of the European Works Council and the scope of the information and consultation procedure for employees governed by this Directive shall be limited to transnational issues.

4 Matters shall be considered to be transnational where they concern the Community-scale undertaking or Community-scale group of undertakings as a whole, or at least two undertakings or establishments of the undertaking or group situated in two different Member States.

5 Notwithstanding paragraph 2, where a Community-scale group of undertakings within the meaning of Article 2(1)(c) comprises one or more undertakings or groups of undertakings which are Community-scale undertakings or Community-scale groups of undertakings within the meaning of Article 2(1)(a) or (c), a European Works Council shall be established at the level of the group unless the agreements referred to in Article 6 provide otherwise.

6 Unless a wider scope is provided for in the agreements referred to in Article 6, the powers and competence of European Works Councils and the scope of information and consultation procedures established to achieve the purpose specified in paragraph 1 shall, in the case of a Community-scale undertaking, cover all the establishments located within the Member States and, in the case of a Community-scale group of undertakings, all group undertakings located within the Member States.

7 Member States may provide that this Directive shall not apply to merchant navy crews.
