SECTION III

MISCELLANEOUS PROVISIONS

Article 8

Confidential information

1 Member States shall provide that members of special negotiating bodies or of European Works Councils and any experts who assist them are not authorised to reveal any information which has expressly been provided to them in confidence.

The same shall apply to employees' representatives in the framework of an information and consultation procedure.

That obligation shall continue to apply, wherever the persons referred to in the first and second subparagraphs are, even after the expiry of their terms of office.

2 Each Member State shall provide, in specific cases and under the conditions and limits laid down by national legislation, that the central management situated in its territory is not obliged to transmit information when its nature is such that, according to objective criteria, it would seriously harm the functioning of the undertakings concerned or would be prejudicial to them.

A Member State may make such dispensation subject to prior administrative or judicial authorisation.

3 Each Member State may lay down particular provisions for the central management of undertakings in its territory which pursue directly and essentially the aim of ideological guidance with respect to information and the expression of opinions, on condition that, at the date of adoption of this Directive such particular provisions already exist in the national legislation.

Article 9

Operation of the European Works Council and the information and consultation procedure for workers

The central management and the European Works Council shall work in a spirit of cooperation with due regard to their reciprocal rights and obligations.

The same shall apply to cooperation between the central management and employees' representatives in the framework of an information and consultation procedure for workers.

Article 10

Role and protection of employees' representatives

1 Without prejudice to the competence of other bodies or organisations in this respect, the members of the European Works Council shall have the means required to apply the rights arising from this Directive, to represent collectively the interests of the employees of the Community-scale undertaking or Community-scale group of undertakings.

2 Without prejudice to Article 8, the members of the European Works Council shall inform the representatives of the employees of the establishments or of the undertakings of a Community-scale group of undertakings or, in the absence of representatives, the workforce as a whole, of the content and outcome of the information and consultation procedure carried out in accordance with this Directive.

3 Members of special negotiating bodies, members of European Works Councils and employees' representatives exercising their functions under the procedure referred to in Article 6(3) shall, in the exercise of their functions, enjoy protection and guarantees similar to those provided for employees' representatives by the national legislation and/or practice in force in their country of employment.

This shall apply in particular to attendance at meetings of special negotiating bodies or European Works Councils or any other meetings within the framework of the agreement referred to in Article 6(3), and the payment of wages for members who are on the staff of the Community-scale undertaking or the Community-scale group of undertakings for the period of absence necessary for the performance of their duties.

4 In so far as this is necessary for the exercise of their representative duties in an international environment, the members of the special negotiating body and of the European Works Council shall be provided with training without loss of wages.

Article 11

Compliance with this Directive

1 Each Member State shall ensure that the management of establishments of a Community-scale undertaking and the management of undertakings which form part of a Community-scale group of undertakings which are situated within its territory and their employees' representatives or, as the case may be, employees abide by the obligations laid down by this Directive, regardless of whether or not the central management is situated within its territory.

2 Member States shall provide for appropriate measures in the event of failure to comply with this Directive; in particular, they shall ensure that adequate administrative or judicial procedures are available to enable the obligations deriving from this Directive to be enforced.

3 Where Member States apply Article 8, they shall make provision for administrative or judicial appeal procedures which the employees' representatives may initiate when the central management requires confidentiality or does not give information in accordance with that Article.

Such procedures may include procedures designed to protect the confidentiality of the information in question.

Article 12

Relationship with other Community and national provisions

1 Information and consultation of the European Works Council shall be linked to those of the national employee representation bodies, with due regard to the competences and areas of action of each and to the principles set out in Article 1(3).

2 The arrangements for the links between the information and consultation of the European Works Council and national employee representation bodies shall be established by the agreement referred to in Article 6. That agreement shall be without prejudice to the provisions of national law and/or practice on the information and consultation of employees.

3 Where no such arrangements have been defined by agreement, the Member States shall ensure that the processes of informing and consulting are conducted in the European Works Council as well as in the national employee representation bodies in cases where decisions likely to lead to substantial changes in work organisation or contractual relations are envisaged.

4 This Directive shall be without prejudice to the information and consultation procedures referred to in Directive 2002/14/EC and to the specific procedures referred to in Article 2 of Directive 98/59/EC and Article 7 of Directive 2001/23/EC.

5 Implementation of this Directive shall not be sufficient grounds for any regression in relation to the situation which already prevails in each Member State and in relation to the general level of protection of workers in the areas to which it applies.

Article 13

Adaptation

Where the structure of the Community-scale undertaking or Community-scale group of undertakings changes significantly, and either in the absence of provisions established by the agreements in force or in the event of conflicts between the relevant provisions of two or more applicable agreements, the central management shall initiate the negotiations referred to in Article 5 on its own initiative or at the written request of at least 100 employees or their representatives in at least two undertakings or establishments in at least two different Member States.
