

Directive 2009/41/EC of the European Parliament and of the
Council of 6 May 2009 on the contained use of genetically
modified micro-organisms (Recast) (Text with EEA relevance)

Article 7

Following the notification referred to in Article 6, subsequent class 1 contained use may proceed without further notification. Users of GMMs in class 1 contained uses shall be required to keep the record of each assessment referred to in Article 4(6), which shall be made available to the competent authority on request.
