

Directive 2010/75/EU of the European Parliament and of the Council of 24 November 2010 on industrial emissions (integrated pollution prevention and control) (Recast) (Text with EEA relevance)

CHAPTER IV

**SPECIAL PROVISIONS FOR WASTE INCINERATION  
PLANTS AND WASTE CO-INCINERATION PLANTS**

*Article 54*

**Substantial change**

A change of operation of a waste incineration plant or a waste co-incineration plant treating only non-hazardous waste in an installation covered by Chapter II which involves the incineration or co-incineration of hazardous waste shall be regarded as a substantial change.
