‘ANNEX II

**ANIMAL AND PLANT SPECIES OF COMMUNITY  
INTEREST WHOSE CONSERVATION REQUIRES THE  
DESIGNATION OF SPECIAL AREAS OF CONSERVATION**

**Interpretation**

- (a) Annex II follows on from Annex I for the establishment of a consistent network of special areas of conservation.
- (b) The species listed in this Annex are indicated:  
— by the name of the species or subspecies, or  
— by all the species belonging to a higher taxon or to a designated part of that taxon.

The abbreviation “spp.” after the name of a family or genus designates all the species belonging to that family or genus.

- (c) Symbols

An asterisk (\*) before the name of a species indicates that it is a priority species.

Most species listed in this Annex are also listed in Annex IV. Where a species appears in this Annex but does not appear in either Annex IV or Annex V, the species name is followed by the symbol (o); where a species which appears in this Annex also appears in Annex V but does not appear in Annex IV, its name is followed by the symbol (V).
