Member States shall, in liaison with the Commission, take all appropriate measures to establish direct cooperation and an exchange of information between the competent authorities.

When resorting to the measures referred to in Article 6(5), the second subparagraph of Article 14(1) and Article 31(3)(b), Member States shall inform the Commission as soon as the reasons for applying those exceptional measures have ceased to exist and at least on an annual basis. That information shall, where possible, include data on the percentage of the applications for which derogations were applied to the total number of applications processed during that period.
