#### ANNEX IV

### **REQUIREMENTS RELATING TO TOOLS AND DEVICES FOR THE ELECTRONIC RECEIPT OF TENDERS, REQUESTS FOR PARTICIPATION AS WELL AS PLANS AND PROJECTS IN DESIGN CONTESTS**

Tools and devices for the electronic receipt of tenders, requests for participation as well as plans and projects in design contests must at least guarantee, through technical means and appropriate procedures, that:

- (a) the exact time and date of the receipt of tenders, requests to participate and the submission of plans and projects can be determined precisely;
- (b) it may be reasonably ensured that, before the time limits laid down, no-one can have access to data transmitted under these requirements;
- (c) only authorised persons may set or change the dates for opening data received;
- (d) during the different stages of the procurement procedure or of the design contest access to all data submitted, or to part thereof, must be possible only for authorised persons;
- (e) only authorised persons must give access to data transmitted and only after the prescribed date;
- (f) data received and opened in accordance with these requirements must remain accessible only to persons authorised to acquaint themselves therewith;
- (g) where the access prohibitions or conditions referred to under points (b), (c), (d), (e) and (f) are infringed or there is an attempt to do so, it may be reasonably ensured that the infringements or attempts are clearly detectable.

#### ANNEX V

### **INFORMATION TO BE INCLUDED IN NOTICES**

#### PART A

#### **Information to be included in notices of the publication of a prior information notice on a buyer profile**

1. Name, identification number (where provided for in national legislation), address including NUTS code, telephone, fax number, email and internet address of the contracting authority and, where different, of the service from which additional information may be obtained.

2. Type of contracting authority and main activity exercised.
3. Where appropriate, indication that the contracting authority is a centralised purchasing body; or that any other form of joint procurement is or may be involved.
4. CPV codes.
5. Internet address of the 'buyer profile' (URL).
6. Date of dispatch of the notice of the publication of the prior information notice on the buyer profile.

## PART B

### Information to be included in prior information notices

#### (as referred to in Article 48)

#### I. Information to be included in all cases

1. Name, identification number (where provided for in national legislation), address including NUTS code, telephone, fax number, email and internet address of the contracting authority and, where different, of the service from which additional information may be obtained.
2. Email or internet address at which the procurement documents will be available for unrestricted and full direct access, free of charge.  
  
Where unrestricted and full direct access, free of charge, is not available for the reasons set out in the second and third subparagraph of Article 53(1), an indication of how the procurement documents can be accessed.
3. Type of contracting authority and main activity exercised.
4. Where appropriate, indication that the contracting authority is a centralised purchasing body or that any other form of joint procurement is or may be involved.
5. CPV codes; where the contract is divided into lots, this information shall be provided for each lot.
6. NUTS code for the main location of works in case of works contracts or NUTS code for the main place of delivery or performance in supply and service contracts; where the contract is divided into lots, this information shall be provided for each lot.
7. Brief description of the procurement: nature and extent of works, nature and quantity or value of supplies, nature and extent of services.
8. Where this notice is not used as a means of calling for competition, estimated date(s) for publication of a contract notice or contract notices in respect of the contract(s) referred to in this prior information notice.
9. Date of dispatch of the notice.
10. Any other relevant information.
11. Indication whether the contract is covered by the GPA.

---

*Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.*

---

## II. **Additional information to be supplied where the notice is used as a means of calling for competition (Article 48(2))**

1. A reference to the fact that interested economic operators shall advise the authority of their interest in the contract or contracts.
2. Type of award procedure (restricted procedures, whether or not involving a dynamic purchasing system, or competitive procedures with negotiation).
3. Where appropriate, indication whether:
  - (a) a framework agreement is involved,
  - (b) a dynamic purchasing system is involved.
4. As far as already known, time-frame for delivery or provision of products, works or services and duration of the contract.
5. As far as already known, conditions for participation, including:
  - (a) where appropriate, indication whether the public contract is restricted to sheltered workshops, or whether its execution is restricted to the framework of protected job programmes,
  - (b) where appropriate, indication whether the provision of the service is reserved by law, regulation or administrative provision to a particular profession,
  - (c) brief description of selection criteria.
6. As far as already known, brief description of criteria to be used for award of the contract.
7. As far as already known, estimated total magnitude for contract(s); where the contract is divided into lots, this information shall be provided for each lot.
8. Time limits for receipt of expressions of interest.
9. Address where expressions of interest shall be transmitted.
10. Language or languages authorised for the presentation of candidatures or tenders.
11. Where appropriate, indication whether:
  - (a) electronic submission of tenders or requests to participate will be required/accepted,
  - (b) electronic ordering will be used,
  - (c) electronic invoicing will be used,
  - (d) electronic payment will be accepted.
12. Information whether the contract is related to a project and /or programme financed by Union funds.
13. Name and address of the body responsible for review and, where appropriate, mediation procedures. Precise information concerning time limits for review procedures, or, if need be, the name, address, telephone number, fax number and e-mail address of the service from which this information may be obtained.

## PART C

### Information to be included in contract notices

#### (as referred to in Article 49)

1. Name, identification number (where provided for in national legislation), address including NUTS code, telephone, fax number, email and internet address of the contracting authority and, where different, of the service from which additional information may be obtained.
2. Email or internet address at which the procurement documents will be available for unrestricted and full direct access, free of charge.  
  
Where unrestricted and full direct access, free of charge, is not available for the reasons set out in the second and third subparagraphs of Article 53(1), an indication of how the procurement documents can be accessed.
3. Type of contracting authority and main activity exercised.
4. Where appropriate, indication that the contracting authority is a central purchasing body or that any other form of joint procurement is involved.
5. CPV codes; where the contract is divided into lots, this information shall be provided for each lot.
6. NUTS code for the main location of works in case of works contracts or NUTS code for the main place of delivery or performance in supply and service contracts; where the contract is divided into lots, this information shall be provided for each lot.
7. Description of the procurement: nature and extent of works, nature and quantity or value of supplies, nature and extent of services. Where the contract is divided into lots, this information shall be provided for each lot. Where appropriate, description of any options.
8. Estimated total order of magnitude of contract(s); where the contract is divided into lots, this information shall be provided for each lot.
9. Admission or prohibition of variants.
10. Time-frame for delivery or provision of supplies, works or services and, as far as possible, duration of the contract.
  - (a) In the case of a framework agreement, indication of the planned duration of the framework agreement, stating, where appropriate, the reasons for any duration exceeding four years; as far as possible, indication of value or order of magnitude and frequency of contracts to be awarded, number and, where appropriate, proposed maximum number of economic operators to participate.
  - (b) In the case of a dynamic purchasing system, indication of the planned duration of that system; as far as possible, indication of value or order of magnitude and frequency of contracts to be awarded.
11. Conditions for participation, including:

---

---

- (a) where appropriate, indication whether the public contract is restricted to sheltered workshops, or whether its execution is restricted to the framework of protected job programmes,
  - (b) where appropriate, indication whether the provision of the service is reserved by law, regulation or administrative provision to a particular profession; reference to the relevant law, regulation or administrative provision,
  - (c) a list and brief description of criteria regarding the personal situation of economic operators that may lead to their exclusion and of selection criteria; minimum level(s) of standards possibly required; indication of required information (self-declarations, documentation).
12. Type of award procedure; where appropriate, reasons for use of an accelerated procedure (in open and restricted procedures and competitive procedures with negotiation);
13. Where appropriate, indication whether:
  - (a) a framework agreement is involved,
  - (b) a dynamic purchasing system is involved,
  - (c) an electronic auction is involved (in the event of open or restricted procedures or competitive procedures with negotiation).
14. Where the contract is to be subdivided into lots, indication of the possibility of tendering for one, for several or for all of the lots; indication of any possible limitation of the number of lots that may be awarded to any one tenderer. Where the contract is not subdivided into lots, indication of the reasons therefor, unless this information is provided in the individual report.
15. In the case of a restricted procedure, a competitive procedure with negotiation, a competitive dialogue or an innovation partnership, where recourse is made to the option of reducing the number of candidates to be invited to submit tenders, to negotiate or to engage in dialogue: minimum and, where appropriate, proposed maximum number of candidates and objective criteria to be used to choose the candidates in question.
16. In the case of a competitive procedure with negotiation, a competitive dialogue or an innovation partnership, indication, where appropriate, of recourse to a staged procedure in order gradually to reduce the number of tenders to be negotiated or solutions to be discussed.
17. Where appropriate, particular conditions to which performance of the contract is subject.
18. Criteria to be used for award of the contract or contracts. Except where the most economically advantageous offer is identified on the basis of price alone, criteria representing the most economically advantageous tender as well as their weighting shall be indicated where they do not appear in the specifications or, in the event of a competitive dialogue, in the descriptive document.
19. Time limit for receipt of tenders (open procedures) or requests to participate (restricted procedures, competitive procedures with negotiation, dynamic purchasing systems, competitive dialogues, innovation partnerships).

20. Address to which tenders or requests to participate shall be transmitted.
21. In the case of open procedures:
  - (a) time frame during which the tenderer must maintain its tender,
  - (b) date, time and place for the opening of tenders,
  - (c) persons authorised to be present at such opening.
22. Language or languages in which tenders or requests to participate must be drawn up.
23. Where appropriate, indication whether:
  - (a) electronic submission of tenders or requests to participate will be accepted,
  - (b) electronic ordering will be used,
  - (c) electronic invoicing will be accepted,
  - (d) electronic payment will be used.
24. Information whether the contract is related to a project and/or programme financed by Union funds.
25. Name and address of the body responsible for review and, where appropriate, mediation procedures. Precise information concerning deadlines for review procedures, or if need be, the name, address, telephone number, fax number and email address of the service from which this information may be obtained.
26. Date(s) and reference(s) of previous publications in the *Official Journal of the European Union* relevant to the contract(s) advertised in this notice.
27. In the case of recurrent procurement, estimated timing for further notices to be published.
28. Date of dispatch of the notice.
29. Indication whether the contract is covered by the GPA.
30. Any other relevant information.

## ANNEX VII

### DEFINITION OF CERTAIN TECHNICAL SPECIFICATIONS

For the purposes of this Directive:

- (1) 'technical specification' means one of the following:
  - (a) in the case of public works contracts the totality of the technical prescriptions contained in particular in the procurement documents, defining the characteristics required of a material, product or supply, so that it fulfils the use for which it is intended by the contracting authority; those characteristics include levels of environmental and climate performance, design for all requirements (including accessibility for disabled persons) and conformity assessment, performance, safety or dimensions, including the procedures concerning quality assurance, terminology, symbols, testing and test methods, packaging, marking and labelling, user instructions and production processes and methods at any stage of the life cycle of the works; those characteristics also include rules relating to design and costing, the test, inspection and acceptance conditions for works and methods or techniques of construction and all other technical conditions which the contracting authority is in a position to prescribe, under general or specific regulations, in relation to the finished works and to the materials or parts which they involve;
  - (b) in the case of public supply or service contracts a specification in a document defining the required characteristics of a product or a service, such as quality levels, environmental and climate performance levels, design for all requirements (including accessibility for disabled persons) and conformity assessment, performance, use of the product, safety or dimensions, including requirements relevant to the product as regards the name under which the product is sold, terminology, symbols, testing and test methods, packaging, marking and labelling, user instructions, production processes and methods at any stage of the life cycle of the supply or service and conformity assessment procedures;
- (2) 'standard' means a technical specification, adopted by a recognised standardisation body, for repeated or continuous application, with which compliance is not compulsory, and which is one of the following:
  - (a) 'international standard' means a standard adopted by an international standardisation organisation and made available to the general public,
  - (b) 'European standard' means a standard adopted by a European standardisation organisation and made available to the general public,

## ANNEX VIII

### FEATURES CONCERNING PUBLICATION

#### 1. Publication of notices

The notices referred to in Articles 48, 49, 50, 75 and 79 shall be sent by the contracting authorities to the Publications Office of the European Union and published in accordance with the following rules:

Notices referred to in Articles 48, 49, 50, 75 and 79 shall be published by the Publications Office of the European Union or by the contracting authorities in the event of a prior information notice published on a buyer profile in accordance with Article 48(1).

In addition, contracting authorities may publish this information on the Internet on a ‘buyer profile’ as referred to in point 2(b).

The Publications Office of the European Union shall give the contracting authority the confirmation referred to in Article 51(5), second subparagraph.

#### 2. Publication of complementary or additional information

- (a) Except where otherwise provided for in the second and third subparagraphs of Article 53(1), contracting authorities shall publish the procurement documents in their entirety on the Internet.
- (b) The buyer profile may include prior information notices as referred to in Article 48(1), information on ongoing invitations to tender, scheduled purchases, contracts concluded, procedures cancelled and any useful general information, such as a contact point, a telephone and a fax number, a postal address and an e-mail address. The buyer profile may also include prior information notices used as a means of calling for competition, which are published at national level pursuant to Article 52.

#### 3. Format and procedures for sending notices electronically

The format and procedure for sending notices electronically as established by the Commission are made accessible at the Internet address ‘<http://simap.europa.eu>’.

## ANNEX IX

### CONTENTS OF THE INVITATIONS TO SUBMIT A TENDER, TO PARTICIPATE IN THE DIALOGUE OR TO CONFIRM INTEREST PROVIDED FOR UNDER ARTICLE 54

- 1. The invitation to submit a tender or to participate in the dialogue provided for under Article 54 must contain at least:

---

*Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.*

---

- (a) a reference to the call for competition published;
- (b) the deadline for the receipt of the tenders, the address to which the tenders must be sent and the language or languages in which the tenders must be drawn up;
- (c) in the case of competitive dialogue the date and the address set for the start of consultation and the language or languages used;
- (d) a reference to any possible adjoining documents to be submitted, either in support of verifiable declarations by the tenderer in accordance with Articles 59 and 60 and, where appropriate, Article 62 or to supplement the information referred to in those Articles, and under the conditions laid down in Articles 59, 60 and 62;
- (e) the relative weighting of criteria for the award of the contract or, where appropriate, the descending order of importance for such criteria, where they are not given in the contract notice, in the invitation to confirm interest, in the technical specifications or the descriptive document.

However, in the case of contracts awarded through a competitive dialogue or an innovation partnership, the information referred to in point (b) shall not appear in the invitation to participate in the dialogue or to negotiate but it shall appear in the invitation to submit a tender.

2. When a call for competition is made by means of a prior information notice, contracting authorities shall subsequently invite all candidates to confirm their interest on the basis of detailed information on the contract concerned before beginning the selection of tenderers or participants in negotiations.

That invitation shall include at least the following information:

- (a) nature and quantity, including all options concerning complementary contracts and, where possible, the estimated time available for exercising these options for renewable contracts, the nature and quantity and, where possible, the estimated publication dates of future notices of competition for works, supplies or services to be put out to tender;
- (b) type of procedure: restricted procedure or competitive procedure with negotiation;
- (c) where appropriate, the date on which the delivery of supplies or the execution of works or services is to commence or terminate;
- (d) where electronic access cannot be offered, the address and closing date for the submission of requests for procurement documents and the language or languages in which they are to be drawn up;
- (e) the address of the contracting authority which is to award the contract;
- (f) economic and technical conditions, financial guarantees and information required from economic operators;
- (g) the form of the contract which is the subject of the invitation to tender: purchase, lease, hire or hire-purchase, or any combination of these; and
- (h) the contract award criteria and their weighting or, where appropriate, the order of importance of such criteria, where this information is not given in the prior information notice or the technical specifications or in the invitation to tender or to negotiate.

### MEANS OF PROOF OF SELECTION CRITERIA

#### Part I:

##### Economic and financial standing

Proof of the economic operator’s economic and financial standing may, as a general rule, be furnished by one or more of the following references:

- (a) appropriate statements from banks or, where appropriate, evidence of relevant professional risk indemnity insurance;
- (b) the presentation of financial statements or extracts from the financial statements, where publication of financial statements is required under the law of the country in which the economic operator is established;
- (c) a statement of the undertaking’s overall turnover and, where appropriate, of turnover in the area covered by the contract for a maximum of the last three financial years available, depending on the date on which the undertaking was set up or the economic operator started trading, as far as the information on these turnovers is available.

#### Part II:

##### Technical ability

Means providing evidence of the economic operators’ technical abilities, as referred to in Article 58:

- (a) the following lists:
  - (i) a list of the works carried out over at the most the past five years, accompanied by certificates of satisfactory execution and outcome for the most important works; where necessary in order to ensure an adequate level of competition, contracting authorities may indicate that evidence of relevant works carried out more than five years before will be taken into account;
  - (ii) a list of the principal deliveries effected or the main services provided over at the most the past three years, with the sums, dates and recipients, whether public or private, involved. Where necessary in order to ensure an adequate level of competition, contracting authorities may indicate that evidence of

relevant supplies or services delivered or performed more than three years before will be taken into account;

- (b) an indication of the technicians or technical bodies involved, whether or not belonging directly to the economic operator's undertaking, especially those responsible for quality control and, in the case of public works contracts, those upon whom the contractor can call in order to carry out the work;
- (c) a description of the technical facilities and measures used by the economic operator for ensuring quality and the undertaking's study and research facilities;
- (d) an indication of the supply chain management and tracking systems that the economic operator will be able to apply when performing the contract;
- (e) where the products or services to be supplied are complex or, exceptionally, are required for a special purpose, a check carried out by the contracting authorities or on their behalf by a competent official body of the country in which the supplier or service provider is established, subject to that body's agreement, on the production capacities of the supplier or the technical capacity of the service provider and, where necessary, on the means of study and research which are available to it and the quality control measures it will operate;
- (f) the educational and professional qualifications of the service provider or contractor or those of the undertaking's managerial staff, provided that they are not evaluated as an award criterion;
- (g) an indication of the environmental management measures that the economic operator will be able to apply when performing the contract;
- (h) a statement of the average annual manpower of the service provider or contractor and the number of managerial staff for the last three years;
- (i) a statement of the tools, plant or technical equipment available to the service provider or contractor for carrying out the contract;
- (j) an indication of the proportion of the contract which the economic operator intends possibly to subcontract;
- (k) with regard to the products to be supplied:
  - (i) samples, descriptions or photographs, the authenticity of which must be certified where the contracting authority so requests;
  - (ii) certificates drawn up by official quality control institutes or agencies of recognised competence attesting the conformity of products clearly identified by references to technical specifications or standards.
