Article 54

Removal of procedural impediments to bail-in

1 Without prejudice to point (i) of Article 63(1), Member States shall, where applicable, require institutions and entities referred to in points (b), (c) and (d) of Article 1(1) to maintain at all times a sufficient amount of authorised share capital or of other Common Equity Tier 1 instruments, so that, in the event that the resolution authority exercises the powers referred to in points (e) and (f) of Article 63(1) in relation to an institution or an entity referred to in point (b), (c) or (d) of Article 1(1) or any of its subsidiaries, the institution or entity referred to in point (b), (c) or (d) of Article 1(1) is not prevented from issuing sufficient new shares or other instruments of ownership to ensure that the conversion of liabilities into shares or other instruments of ownership could be carried out effectively.

2 Resolution authorities shall assess whether it is appropriate to impose the requirement laid down in paragraph 1 in the case of a particular institution or entity referred to in point (b), (c) or (d) of Article 1(1) in the context of the development and maintenance of the resolution plan for that institution or group, having regard, in particular, to the resolution actions contemplated in that plan. If the resolution plan provides for the possible application of the bail-in tool, authorities shall verify that the authorised share capital or other Common Equity Tier 1 instruments is sufficient to cover the sum of the amounts referred to in points (b) and (c) of Article 47(3).
