TITLE IV

RESOLUTION

CHAPTER VI

Resolution powers

Article 67

Power in respect of assets, rights, liabilities, shares and other instruments of ownership located in third countries

1 Member States shall provide that, in cases in which resolution action involves action taken in respect of assets located in a third country or shares, other instruments of ownership, rights or liabilities governed by the law of a third country, resolution authorities may require that:

- a the administrator, receiver or other person exercising control of the institution under resolution and the recipient take all necessary steps to ensure that the transfer, write down, conversion or action becomes effective;
- b the administrator, receiver or other person exercising control of the institution under resolution hold the shares, other instruments of ownership, assets or rights or discharge the liabilities on behalf of the recipient until the transfer, write down, conversion or action becomes effective;
- c the reasonable expenses of the recipient properly incurred in carrying out any action required under points (a) and (b) of this paragraph are met in any of the ways referred to in Article 37(7).

2 Where the resolution authority assesses that, in spite of all the necessary steps taken by the administrator, receiver or other person in accordance with paragraph 1(a), it is highly unlikely that the transfer, conversion or action will become effective in relation to certain assets located in a third country or certain shares, other instruments of ownership, rights or liabilities under the law of a third country, the resolution authority shall not proceed with the transfer, write down, conversion or action. If it has already ordered the transfer, write down, conversion or action, that order shall be void in relation to the assets, shares, instruments of ownership, rights or liabilities concerned.
