1 The consolidating supervisor shall, together with the competent authorities of subsidiaries, after consulting the competent authorities referred to in Article 116 of Directive 2013/36/EU and with the competent authorities of significant branches insofar as is relevant to the significant branch, review the group recovery plan and assess the extent to which it satisfies the requirements and criteria laid down in Articles 6 and 7. That assessment shall be made in accordance with the procedure established in Article 6 and with this Article and shall take into account the potential impact of the recovery measures on financial stability in all the Member States where the group operates.

3 In the absence of a joint decision between the competent authorities, within four months of the date of transmission, on the review and assessment of the group recovery plan or on any measures the Union parent undertaking is required to take in accordance with Article 6(5) and (6), the consolidating supervisor shall make its own decision with regard to those matters. The consolidating supervisor shall make its decision having taken into account the views and reservations of the other competent authorities expressed during the four-month period. The consolidating supervisor shall notify the decision to the Union parent undertaking and to the other competent authorities.

If, at the end of that four-month period, any of the competent authorities referred to in paragraph 2 has referred a matter mentioned in paragraph 7 to EBA in accordance with Article 19 of Regulation (EU) No 1093/2010, the consolidating supervisor shall defer its decision and await any decision that EBA may take in accordance with Article 19(3) of that Regulation, and shall take its decision in accordance with the decision of EBA. The four-month period shall be deemed to be the conciliation period within the meaning of the Regulation. EBA shall take its decision within one month. The matter shall not be referred to EBA after the end of the four-month period or after a joint decision has been reached. In the absence of an EBA decision within one month, the decision of the consolidating supervisor shall apply.

4 In the absence of a joint decision between the competent authorities within four months of the date of transmission on:

- a whether a recovery plan on an individual basis is to be drawn up for the institutions under its jurisdiction; or
- b the application at subsidiary level of the measures referred to in Article 6(5) and (6);

each competent authority shall make its own decision on that matter.

If, at the end of the four-month period, any of the competent authorities concerned has referred a matter mentioned in paragraph 7 to EBA in accordance with Article 19 of Regulation (EU) No 1093/2010, the competent authority of the subsidiary shall defer its decision and await any decision that EBA may take in accordance with Article 19(3) of that Regulation, and shall take its decision in accordance with the decision of EBA. The four-month period shall be deemed to be the conciliation period within the meaning of that Regulation. EBA shall take its decision within one month. The matter shall not be referred to EBA after the end of the four-month period or after a joint decision has been reached. In the absence of an EBA decision within one month, the decision of the competent authority responsible for the subsidiary at an individual level shall apply.

5 The other competent authorities which do not disagree under paragraph 4 may reach a joint decision on a group recovery plan covering group entities under their jurisdictions.

6 The joint decision referred to in paragraph 2 or 5 and the decisions taken by the competent authorities in the absence of a joint decision referred to in paragraphs 3 and 4 shall be recognised as conclusive and applied by the competent authorities in the Member States concerned.

7 Upon request of a competent authority in accordance with paragraph 3 or 4, EBA may only assist the competent authorities in reaching an agreement in accordance with Article 19(3) of Regulation (EU) No 1093/2010 in relation to the assessment of recovery plans and implementation of the measures of point (a), (b) and (d) of Article 6(6).
