1 Where replacement of the senior management or management body as referred to in Article 28 is deemed to be insufficient by the competent authority to remedy the situation, Member States shall ensure that competent authorities may appoint one or more temporary administrators to the institution. Competent authorities may, based on what is proportionate in the circumstances, appoint any temporary administrator either to replace the management body of the institution temporarily or to work temporarily with the management body of the institution and the competent authority shall specify its decision at the time of appointment. If the competent authority appoints a temporary administrator to work with the management body of the institution, the competent authority shall further specify at the time of such an

appointment the role, duties and powers of the temporary administrator and any requirements for the management body of the institution to consult or to obtain the consent of the temporary administrator prior to taking specific decisions or actions. The competent authority shall be required to make public the appointment of any temporary administrator except where the temporary administrator does not have the power to represent the institution. Member States shall further ensure that any temporary administrator has the qualifications, ability and knowledge required to carry out his or her functions and is free of any conflict of interests.

2 The competent authority shall specify the powers of the temporary administrator at the time of the appointment of the temporary administrator based on what is proportionate in the circumstances. Such powers may include some or all of the powers of the management body of the institution under the statutes of the institution and under national law, including the power to exercise some or all of the administrative functions of the management body of the institution. The powers of the temporary administrator in relation to the institution shall comply with the applicable company law.

The competent authority shall specify any limits on the role and functions of the temporary administrator at the time of appointment.

4 Member States shall ensure that the competent authorities have the exclusive power to appoint and remove any temporary administrator. The competent authority may remove a temporary administrator at any time and for any reason. The competent authority may vary the terms of appointment of a temporary administrator at any time subject to this Article.

5 The competent authority may require that certain acts of a temporary administrator be subject to the prior consent of the competent authority. The competent authority shall specify any such requirements at the time of appointment of a temporary administrator or at the time of any variation of the terms of appointment of a temporary administrator.

In any case, the temporary administrator may exercise the power to convene a general meeting of the shareholders of the institution and to set the agenda of such a meeting only with the prior consent of the competent authority.

6 The competent authority may require that a temporary administrator draws up reports on the financial position of the institution and on the acts performed in the course of its appointment, at intervals set by the competent authority and at the end of his or her mandate.

7 The appointment of a temporary administrator shall not last more than one year. That period may be exceptionally renewed if the conditions for appointing the temporary administrator continue to be met. The competent authority shall be responsible for determining whether conditions are appropriate to maintain a temporary administrator and justifying any such decision to shareholders.

8 Subject to this Article the appointment of a temporary administrator shall not prejudice the rights of the shareholders in accordance with Union or national company law.

9 Member States may limit the liability of any temporary administrator in accordance with national law for acts and omissions in the discharge of his or her duties as temporary administrator in accordance with paragraph 3.

10 A temporary administrator appointed pursuant to this Article shall not be deemed to be a shadow director or a de facto director under national law.

2 Following that notification and consultation the consolidating supervisor shall decide whether to apply any of the measures in Article 27 or appoint a temporary administrator under Article 29 in respect of the relevant Union parent undertaking, taking into account the impact of those measures on the group entities in other Member States. The consolidating supervisor shall notify the decision to the other competent authorities within the supervisory college and EBA.

3 Where the conditions for the imposition of requirements under Article 27 or the appointment of a temporary administrator under Article 29 are met in relation to a subsidiary of an Union parent undertaking, the competent authority responsible for the supervision on an individual basis that intends to take a measure in accordance with those Articles shall notify EBA and consult the consolidating supervisor.

On receiving the notification the consolidating supervisor may assess the likely impact of the imposition of requirements under Article 27 or the appointment of a temporary administrator in accordance with Article 29 to the institution in question, on the group or on group entities in other Member States. It shall communicate that assessment to the competent authority within three days.

Following that notification and consultation the competent authority shall decide whether to apply any of the measures in Article 27 or appoint a temporary administrator under Article 29. The decision shall give due consideration to any assessment of the consolidating supervisor. The competent authority shall notify the decision to the consolidating supervisor and other competent authorities within the supervisory college and EBA.

4 Where more than one competent authority intends to appoint a temporary administrator or apply any of the measures in Article 27 to more than one institution in the same group, the consolidating supervisor and the other relevant competent authorities shall consider whether it is more appropriate to appoint the same temporary administrator for all the entities concerned or to coordinate the application of any measures in Article 27 to more than one institution in order to facilitate solutions restoring the financial position of the institution concerned. The assessment shall take the form of a joint decision of the consolidating supervisor and the other relevant competent authorities. The joint decision shall be reached within five days from the date of the notification referred to in paragraph 1. The joint decision shall be reasoned and set out in a document, which shall be provided by the consolidating supervisor to the Union parent undertaking.

EBA may at the request of a competent authority assist the competent authorities in reaching an agreement in accordance with Article 31 of Regulation (EU) No 1093/2010.

In the absence of a joint decision within five days the consolidating supervisor and the competent authorities of subsidiaries may take individual decisions on the appointment

of a temporary administrator to the institutions for which they have responsibility and on the application of any of the measures in Article 27.

5 Where a competent authority concerned does not agree with the decision notified in accordance with paragraph 1 or 3, or in the absence of a joint decision under paragraph 4, the competent authority may refer the matter to EBA in accordance with paragraph 6.

6 EBA may at the request of any competent authority assist the competent authorities that intend to apply one or more of the measures in point (a) of Article 27(1) of this Directive with respect to the points (4), (10), (11) and (19) of Section A of the Annex to this Directive, in point (e) of Article 27(1) of this Directive or in point (g) of Article 27(1) of this Directive in reaching an agreement in accordance with Article 19(3) of Regulation (EU) No 1093/2010.

7 The decision of each competent authority shall be reasoned. The decision shall take into account the views and reservations of the other competent authorities expressed during the consultation period referred to in paragraph 1 or 3 or the five-day period referred to in paragraph 4 as well as the potential impact of the decision on financial stability in the Member States concerned. The decisions shall be provided by the consolidating supervisor to the Union parent undertaking and to the subsidiaries by the respective competent authorities.

In the cases referred to in paragraph 6 of this Article, where, before the end of the consultation period referred to in paragraphs 1 and 3 of this Article or at the end of the five-day period referred to in paragraph 4 of this Article, any of the competent authorities concerned has referred the matter to EBA in accordance with Article 19(3) of Regulation (EU) No 1093/2010, the consolidating supervisor and the other competent authorities shall defer their decisions and await any decision that EBA may take in accordance with Article 19(3) of that Regulation, and shall take their decision in accordance with the decision of EBA. The five-day period shall be deemed to be the conciliation period within the meaning of that Regulation. EBA shall take its decision within three days. The matter shall not be referred to EBA after the end of the five-day period or after a joint decision has been reached.

8 In the absence of a decision by EBA within three days, individual decisions taken in accordance with paragraph 1 or 3, or the third subparagraph of paragraph 4, shall apply.
