

Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU (recast) (Text with EEA relevance)

TITLE II

**AUTHORISATION AND OPERATING CONDITIONS FOR INVESTMENT FIRMS**

*CHAPTER II*

*Operating conditions for investment firms*

*Section 1*

***General provisions***

*Article 22*

**General obligation in respect of on-going supervision**

Member States shall ensure that the competent authorities monitor the activities of investment firms so as to assess compliance with the operating conditions provided for in this Directive. Member States shall ensure that the appropriate measures are in place to enable the competent authorities to obtain the information needed to assess the compliance of investment firms with those obligations.
