

Commission Implementing Directive 2014/97/EU of 15 October
2014 implementing Council Directive 2008/90/EC as regards the
registration of suppliers and of varieties and the common list of varieties

Article 2

Notification obligation of suppliers

1 Member States shall ensure that suppliers notify the information referred to in Article 1(2)(a) and (b).

No notification shall, however, be required from suppliers accredited in accordance with Article 6(1) of Directive 92/34/EEC.

2 Member States shall ensure that suppliers notify any change in their situation concerning the information referred to in Article 1(2)(a) and (b).

3 Member States shall ensure that suppliers are informed of their registration and of any modifications thereto within a time period to be laid down by national legislation.
