SECTION 4

Requirements for CAC material

Article 25

Trueness to the description of the variety

1 The trueness of CAC material to the description of its variety shall be established by the observation of the expression of the characteristics of the variety. That observation shall be based on one of the following elements:

- a the official description for registered varieties, as referred to in Implementing Directive 2014/97/EU and for varieties legally protected by a plant variety right; or
- b the description accompanying the application for varieties which are the subject of an application for registration in any Member State, as referred to in Implementing Directive 2014/97/EU;
- c the description accompanying the application for a plant variety right;
- d the officially recognised description of a variety as referred to in Article 7(2)(c)(iii) of Directive 2008/90/EC.

2 The trueness of the CAC material to the description of its variety, shall be regularly verified through the observation of the expression of the characteristics of the variety in the CAC material concerned.
