

Directive (EU) 2015/413 of the European Parliament and of the Council
of 11 March 2015 facilitating cross-border exchange of information
on road-safety-related traffic offences (Text with EEA relevance)

Article 8

Information for road users in the Union

1 The Commission shall make available on its website a summary in all official languages of the institutions of the Union of the rules in force in Member States in the field covered by this Directive. Member States shall provide information on these rules to the Commission.

2 Member States shall provide road users with the necessary information about the rules applicable in their territory and the measures implementing this Directive in association with, among other organisations, road safety bodies, non-governmental organisations active in the field of road safety and automobile clubs.
