

Commission Implementing Directive (EU) 2016/11 of 5 January 2016 amending Annex II to Council Directive 2002/57/EC on the marketing of seed of oil and fibre plants (Text with EEA relevance)

Article 1

Amendment to Annex II to Directive 2002/57/EC

In Section I of Annex II to Directive 2002/57/EC, point (2)(b) is replaced by the following:

- (b) The minimum varietal purity of the seed shall be:
- basic seed, female component: 99,0 %,
 - basic seed, male component: 99,9 %,
 - certified seed of winter swede rape varieties: 90,0 %,
 - certified seed of spring swede rape varieties: 85,0 %..
