

Directive (EU) 2017/1132 of the European Parliament and
of the Council of 14 June 2017 relating to certain aspects
of company law (codification) (Text with EEA relevance)

TITLE II

MERGERS AND DIVISIONS OF LIMITED LIABILITY COMPANIES

CHAPTER II

Cross-border mergers of limited liability companies

Article 123

Publication

1 The common draft terms of the cross-border merger shall be published in the manner prescribed by the laws of each Member State in accordance with Article 16 for each of the merging companies at least one month before the date of the general meeting which is to decide thereon.

Any of the merging companies shall be exempt from the publication requirement laid down in Article 16 if, for a continuous period beginning at least one month before the date fixed for the general meeting which is to decide on the common draft terms of the cross-border merger and ending not earlier than the conclusion of that meeting, it makes the common draft terms of such merger available on its website free of charge for the public. Member States shall not subject that exemption to any requirements or constraints other than those which are necessary in order to ensure the security of the website and the authenticity of the documents and may impose such requirements or constraints only to the extent that they are proportionate in order to achieve those objectives.

By way of derogation from the second subparagraph, Member States may require that publication be effected via the central electronic platform referred to in Article 16(5). Member States may alternatively require that such publication be made on any other website designated by them for that purpose. Where Member States avail themselves of one of those possibilities, they shall ensure that companies are not charged a specific fee for such publication.

Where a website other than the central electronic platform is used, a reference giving access to that website shall be published on the central electronic platform at least one month before the date fixed for the general meeting. That reference shall include the date of publication of the common draft terms of cross-border merger on the website and shall be accessible to the public free of charge. Companies shall not be charged a specific fee for such publication.

The prohibition precluding the charging of companies of a specific fee for publication, laid down in the third and fourth subparagraphs, shall not affect the ability of Member States to pass on to companies the costs in respect of the central electronic platform.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

Member States may require companies to maintain the information for a specific period after the general meeting on their website or, where applicable, on the central electronic platform or the other website designated by the Member State concerned. Member States may determine the consequences of temporary disruption of access to the website or to the central electronic platform, caused by technical or other factors.

2 For each of the merging companies and subject to the additional requirements imposed by the Member State to which the company concerned is subject, the following particulars shall be published in the national gazette of that Member State:

- a the type, name and registered office of every merging company;
- b the register in which the documents referred to in Article 16(3) are filed in respect of each merging company, and the number of the entry in that register;
- c an indication, for each of the merging companies, of the arrangements made for the exercise of the rights of creditors and of any minority members of the merging companies and the address at which complete information on those arrangements may be obtained free of charge.
