CHAPTER IV

Section 5

Rules for the increase and reduction of capital

Article 68

Decision by the general meeting on the increase of capital

1 Any increase in capital shall be decided upon by the general meeting. Both that decision and the increase in the subscribed capital shall be published in the manner laid down by the laws of each Member State, in accordance with Article 16.

2 Nevertheless, the statutes or instrument of incorporation or the general meeting, the decision of which is to be published in accordance with the rules referred to in paragraph 1, may authorise an increase in the subscribed capital up to a maximum amount which they shall fix with due regard for any maximum amount provided for by law. Where appropriate, the increase in the subscribed capital shall be decided on within the limits of the amount fixed by the company body empowered to do so. The power of such body in this respect shall be for a maximum period of five years and may be renewed one or more times by the general meeting, each time for a period not exceeding five years.

3 Where there are several classes of shares, the decision by the general meeting concerning the increase in capital referred to in paragraph 1 or the authorisation to increase the capital referred to in paragraph 2, shall be subject to a separate vote at least for each class of shareholder whose rights are affected by the transaction.

4 This Article shall apply to the issue of all securities which are convertible into shares or which carry the right to subscribe for shares, but not to the conversion of such securities, nor to the exercise of the right to subscribe.
