Article 8ab

**Scope and conditions of mandatory automatic exchange
of information on reportable cross-border arrangements**

- 1 Each Member State shall take the necessary measures to require intermediaries to file information that is within their knowledge, possession or control on reportable cross-border arrangements with the competent authorities within 30 days beginning:

- a on the day after the reportable cross-border arrangement is made available for implementation; or
- b on the day after the reportable cross-border arrangement is ready for implementation; or
- c when the first step in the implementation of the reportable cross-border arrangement has been made,

whichever occurs first.

Notwithstanding the first subparagraph, intermediaries referred to in the second paragraph of point 21 of Article 3 shall also be required to file information within 30 days beginning on the day after they provided, directly or by means of other persons, aid, assistance or advice.

- 2 In the case of marketable arrangements, Member States shall take the necessary measures to require that a periodic report be made by the intermediary every 3 months providing an update which contains new reportable information as referred to in points (a), (d), (g) and (h) of paragraph 14 that has become available since the last report was filed.

- 3 Where the intermediary is liable to file information on reportable cross-border arrangements with the competent authorities of more than one Member State, such information shall be filed only in the Member State that features first in the list below:

- a the Member State where the intermediary is resident for tax purposes;
- b the Member State where the intermediary has a permanent establishment through which the services with respect to the arrangement are provided;
- c the Member State which the intermediary is incorporated in or governed by the laws of;
- d the Member State where the intermediary is registered with a professional association related to legal, taxation or consultancy services.

- 4 Where, pursuant to paragraph 3, there is a multiple reporting obligation, the intermediary shall be exempt from filing the information if it has proof, in accordance with national law, that the same information has been filed in another Member State.

- 5 Each Member State may take the necessary measures to give intermediaries the right to a waiver from filing information on a reportable cross-border arrangement where the reporting obligation would breach the legal professional privilege under the national law of that Member State. In such circumstances, each Member State shall take the necessary measures to require intermediaries to notify, without delay, any other intermediary or, if there is no such intermediary, the relevant taxpayer of their reporting obligations under paragraph 6.

Intermediaries may only be entitled to a waiver under the first subparagraph to the extent that they operate within the limits of the relevant national laws that define their professions.

6 Each Member State shall take the necessary measures to require that, where there is no intermediary or the intermediary notifies the relevant taxpayer or another intermediary of the application of a waiver under paragraph 5, the obligation to file information on a reportable cross-border arrangement lie with the other notified intermediary, or, if there is no such intermediary, with the relevant taxpayer.

7 The relevant taxpayer with whom the reporting obligation lies shall file the information within 30 days, beginning on the day after the reportable cross-border arrangement is made available for implementation to that relevant taxpayer, or is ready for implementation by the relevant taxpayer, or when the first step in its implementation has been made in relation to the relevant taxpayer, whichever occurs first.

Where the relevant taxpayer has an obligation to file information on the reportable cross-border arrangement with the competent authorities of more than one Member State, such information shall be filed only with the competent authorities of the Member State that features first in the list below:

- a the Member State where the relevant taxpayer is resident for tax purposes;
- b the Member State where the relevant taxpayer has a permanent establishment benefiting from the arrangement;
- c the Member State where the relevant taxpayer receives income or generates profits, although the relevant taxpayer is not resident for tax purposes and has no permanent establishment in any Member State;
- d the Member State where the relevant taxpayer carries on an activity, although the relevant taxpayer is not resident for tax purposes and has no permanent establishment in any Member State.

8 Where, pursuant to paragraph 7, there is a multiple reporting obligation, the relevant taxpayer shall be exempt from filing the information if it has proof, in accordance with national law, that the same information has been filed in another Member State.

9 Each Member State shall take the necessary measures to require that, where there is more than one intermediary, the obligation to file information on the reportable cross-border arrangement lie with all intermediaries involved in the same reportable cross-border arrangement.

An intermediary shall be exempt from filing the information only to the extent that it has proof, in accordance with national law, that the same information referred to in paragraph 14 has already been filed by another intermediary.

10 Each Member State shall take the necessary measures to require that, where the reporting obligation lies with the relevant taxpayer and where there is more than one relevant taxpayer, the relevant taxpayer that is to file information in accordance with paragraph 6 be the one that features first in the list below:

- a the relevant taxpayer that agreed the reportable cross-border arrangement with the intermediary;
- b the relevant taxpayer that manages the implementation of the arrangement.

*Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After
IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.*

Any relevant taxpayer shall only be exempt from filing the information to the extent that it has proof, in accordance with national law, that the same information referred to in paragraph 14 has already been filed by another relevant taxpayer.

11 Each Member State may take the necessary measures to require that each relevant taxpayer file information about their use of the arrangement to the tax administration in each of the years for which they use it.

12 Each Member State shall take the necessary measures to require intermediaries and relevant taxpayers to file information on reportable cross-border arrangements the first step of which was implemented between the date of entry into force and the date of application of this Directive. Intermediaries and relevant taxpayers, as appropriate, shall file information on those reportable cross-border arrangements by 31 August 2020.

13 The competent authority of a Member State where the information was filed pursuant to paragraphs 1 to 12 of this Article shall, by means of an automatic exchange, communicate the information specified in paragraph 14 of this Article to the competent authorities of all other Member States, in accordance with the practical arrangements adopted pursuant to Article 21.

14 The information to be communicated by the competent authority of a Member State under paragraph 13 shall contain the following, as applicable:

- a the identification of intermediaries and relevant taxpayers, including their name, date and place of birth (in the case of an individual), residence for tax purposes, TIN and, where appropriate, the persons that are associated enterprises to the relevant taxpayer;
- b details of the hallmarks set out in Annex IV that make the cross-border arrangement reportable;
- c a summary of the content of the reportable cross-border arrangement, including a reference to the name by which it is commonly known, if any, and a description in abstract terms of the relevant business activities or arrangements, without leading to the disclosure of a commercial, industrial or professional secret or of a commercial process, or of information the disclosure of which would be contrary to public policy;
- d the date on which the first step in implementing the reportable cross-border arrangement has been made or will be made;
- e details of the national provisions that form the basis of the reportable cross-border arrangement;
- f the value of the reportable cross-border arrangement;
- g the identification of the Member State of the relevant taxpayer(s) and any other Member States which are likely to be concerned by the reportable cross-border arrangement;
- h the identification of any other person in a Member State likely to be affected by the reportable cross-border arrangement, indicating to which Member States such person is linked.

15 The fact that a tax administration does not react to a reportable cross-border arrangement shall not imply any acceptance of the validity or tax treatment of that arrangement.

16 To facilitate the exchange of information referred to in paragraph 13 of this Article, the Commission shall adopt the practical arrangements necessary for the

implementation of this Article, including measures to standardise the communication of the information set out in paragraph 14 of this Article, as part of the procedure for establishing the standard form provided for in Article 20(5).

17 The Commission shall not have access to information referred to in points (a), (c) and (h) of paragraph 14.

18 The automatic exchange of information shall take place within one month of the end of the quarter in which the information was filed. The first information shall be communicated by 31 October 2020.;

(3) in Article 20, paragraph 5 is replaced by the following:

5. The Commission shall by 31 December 2017 develop and provide with technical and logistical support a secure Member State central directory on administrative cooperation in the field of taxation where information to be communicated in the framework of Article 8a(1) and (2) shall be recorded in order to satisfy the automatic exchange provided for in those paragraphs.

The Commission shall by 31 December 2019 develop and provide with technical and logistical support a secure Member State central directory on administrative cooperation in the field of taxation where information to be communicated in the framework of Article 8ab(13), (14) and (16) shall be recorded in order to satisfy the automatic exchange provided for in those paragraphs.

The competent authorities of all Member States shall have access to the information recorded in that directory. The Commission shall also have access to the information recorded in that directory, however within the limitations set out in Articles 8a(8) and 8ab(17). The necessary practical arrangements shall be adopted by the Commission in accordance with the procedure referred to in Article 26(2).

Until that secure central directory is operational, the automatic exchange provided for in Article 8a(1) and (2) and Article 8ab(13), (14) and (16) shall be carried out in accordance with paragraph 1 of this Article and the applicable practical arrangements.;
