

## REGULATION (EEC) No 1882/71 OF THE COMMISSION

of 30 August 1971

amending Regulation (EEC) No 2637/70 as regards the period of validity of the export licence for exports of certain cheeses to zone E

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68<sup>1</sup> of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 1410/71<sup>2</sup>, and in particular Article 17 (4) thereof;

Whereas the British market is currently in a special position as regards the export of certain milk products, particularly Cheddar cheese; whereas it is at present somewhat uncertain how prices for Cheddar cheese on that market will develop; whereas, so that the amount of the refund may be adjusted rapidly and effectively to take account of price movements, the period of validity of licences for exports of that product to zone E should be reduced and the first subparagraph of Article 35 (2) of Commission Regulation (EEC) No 2637/70<sup>3</sup> of 23 December 1970 on special detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products, as last amended by Regulation (EEC) 1614/71<sup>4</sup>, should be amended accordingly;

Whereas, at the same time, it should be made impossible to use licences with a longer period of validity for exports of the product in question to zone E; Whereas the measures provided for in this Regulation

are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
