

**REGULATION (EEC) No 1515/72 OF THE COMMISSION**  
of 14 July 1972

**on the determination of intervention centres for oil seeds, other than the main centres,  
and the derived intervention prices applicable in these centres**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 136/66/EEC<sup>1</sup> of 22 September 1966 on the establishment of a common organization of the market in oils and fats, as last amended by Regulation (EEC) No 2727/71,<sup>2</sup> and in particular Article 22 (2) thereof;

Having regard to the Opinion of the Member States concerned;

Whereas Council Regulation No 167/67/EEC<sup>3</sup> of 27 June 1967 on intervention centres for oil seeds and derived intervention prices applicable in these centres established criteria for the determination of centres other than the main centres and derived prices applicable in these centres; whereas, on the basis of these criteria, Commission Regulation (EEC) No 1479/71 of 12 July 1971<sup>4</sup> fixed the centres to be used and the prices valid as from the 1971/72 marketing year;

Whereas, in view of changes in the pattern of production in oil seed producing areas, it is appropriate to modify the list of intervention centres in the Annex to Regulation (EEC) No 1479/71;

Whereas the changes in the intervention prices applicable in the main centres during the 1972/73 marketing year in relation to those valid for the previous marketing years, and rising transport costs in the Member States, necessitate certain changes being made in the intervention prices applicable in the other centres in relation to those listed in the Annex to Regulation (EEC) No 1479/71;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats;

HAS ADOPTED THIS REGULATION:

*Article 1*

The intervention centres for colza, rape and sunflower seeds, other than the main centres referred to in Article 22 (2) of Regulation No 136/66/EEC, and the derived intervention prices applicable in these centres, shall be those listed in the Annex.

*Article 2*

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

It shall apply from 1 July for colza and rape seed, and from 1 September 1972 for sunflower seed.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 July 1972.
