REGULATION (EEC) No 2592/72 OF THE COMMISSION
of 8 December 1972

amending Regulation (EEC) No 193/70 establishing the procedure for giving effect to measures to promote the marketing of oranges and mandarins in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Economic Community;

Article 1

Having regard to Council Regulation (EEC) No 2511/69¹ of 9 December 1969 laying down special measures for improving the production and marketing of Community citrus fruit, and in particular Article 7 thereof;

The second paragraph of Article 2 of Regulation (EEC) No 193/70 is replaced by the following:

‘Oranges of the Biondo comune variety of the Quality Classes “EXTRA” and “I” may also be the subject of contracts for the 1972/73 marketing year.’

Whereas Commission Regulation (EEC) 193/70² of 2 February 1970 establishing the procedure for giving effect to measures to promote the marketing of oranges and mandarins in the Community, initially applied to orange varieties other than Biondo comune; whereas the Regulation was extended to cover oranges of the Biondo comune variety, in the last instance for the 1971/72 marketing year, by Commission Regulation (EEC) No 2672/71³ of 15 December 1971; whereas, since the reasons for that extension still hold for the present marketing year, Regulation (EEC) No 193/70 should be extended to oranges of that variety for this marketing year;

Article 2

With effect from 1 February 1973 Article 3 (1) of Regulation (EEC) No 193/70 is amended by addition of a third subparagraph as follows:

‘During the 1972/73 marketing year, the provisions laid down for the 1969/70 year in the preceding subparagraph shall apply to contracts concluded by a purchaser established in a new Member State, the special provisions for the Sanguinello and Sanguigno varieties being applicable to the Biondo comune variety.’

Whereas purchasers established in the new Member States should also be enabled to conclude contracts to promote the marketing of Community oranges and mandarins; whereas special conditions to this end should be laid down for the 1972/73 marketing year;

Article 3

In Article 3 (a) of Regulation (EEC) No 193/70, ‘1 January 1972’ is replaced by ‘1 January 1973’.

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for fruit and vegetables;

Article 4

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

² OJ No L 26, 3.2.1970, p. 6.
