

Council Regulation (EEC) No 1883/78 of 2 August 1978 laying down general rules for the financing of interventions by the European Agricultural Guidance and Guarantee Fund, Guarantee Section (repealed)

COUNCIL REGULATION (EEC) No 1883/78
of 2 August 1978

laying down general rules for the financing of interventions by the European Agricultural Guidance and Guarantee Fund, Guarantee Section (repealed)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 729/70 of 21 April 1970 on the financing of the common agricultural policy⁽¹⁾, as last amended by Regulation (EEC) No 2788/72⁽²⁾, and in particular Article 3 (2) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament⁽³⁾,

Whereas, in accordance with Article 3 (2) of Regulation (EEC) No 729/70, the general rules for the Community financing of interventions should be laid down;

Whereas, to this end, the list of measures complying with the concept of intervention intended to stabilize the markets should be drawn up;

Whereas it is desirable to lay down that expenditure resulting from intervention measures for which a sum per unit is determined within the framework of a common organization of markets shall be met entirely from Community funds;

Whereas in the case of intervention measures in respect of which a sum per unit is not determined within the framework of the common organization of markets, basic rules should be laid down with regard in particular to the method for determining the amounts to be financed, the financing of expenditure resulting from the tying-up of the funds necessary for intervention purchasing of products, the valuation of stocks to be carried forward from one financial year to the next and the financing of expenditure resulting from storage and, where appropriate, processing operations;

Whereas the various items of expenditure and revenue to be adopted for each sector on the basis of these rules should be the subject of more detailed regulations; where the financing regulations for each sector should, in the meantime, be maintained in force;

Whereas the general rules for Community financing of interventions should be embodied in a single Regulation; whereas Council Regulation (EEC) No 2824/72 of 28 December 1972 laying down general rules for the financing of interventions by the Guarantee Section of the European Agricultural Guidance and Guarantee Fund⁽⁴⁾ should be repealed,

HAS ADOPTED THIS REGULATION:

Status: Point in time view as at 04/05/2005.

Changes to legislation: There are currently no known outstanding effects for the Council Regulation (EEC) No 1883/78 (repealed). (See end of Document for details)

[^{F1}Article 1

The list of measures which comply with the concept of intervention intended to stabilize the agricultural markets, within the meaning of Article 3 (1) of Regulation (EEC) No 729/70, shall be drawn up by the Commission according to the procedure provided for in Article 13 of the said Regulation and shall be published in the *Official Journal of the European Communities*, L series.]

Textual Amendments

F1 Inserted by [Council Regulation \(EEC\) No 2095/87 of 13 July 1987](#).

Article 2

Where, within the framework of a common organization of the market, a sum per unit is determined for an intervention measure, the resulting expenditure shall be met entirely by Community funds.

Article 3

Where, within the framework of a common organization of the market, a sum per unit is not determined in respect of an intervention measure, the measure concerned shall be financed by the EAGGF, Guarantee Section, in accordance with the provisions contained in Articles 4 to 8.

Article 4

1 Where an intervention measure referred to in Article 3 involves the buying-in and storage of products, the amount financed shall be determined by the annual accounts drawn up by the payment services or agencies, in which the various items of expenditure and revenue have been respectively debited and credited.

[^{F2}Where specific measures for the disposal of butter from public stocks are taken under a common market organization within the milk and milk products sector in 1987 and 1988 with reference to this provision, financing of the loss on the sale shall begin in 1989 and shall be limited to 25 % of the amount of the loss recorded during the financial year concerned. The remaining 75 % shall be financed in instalments of 25 % over the following three financial years. This financing will take place, unless unavoidably prevented, during the first three months of each year in question.

The loss on the sale shall be equal to the difference between the value of the quantities carried over, as referred to in Article 1 (1) (c) of Regulation (EEC) No 3247/81⁽⁵⁾, and the value of the quantities disposed of pursuant to a measure as referred to in the previous subparagraph.

The unreimbursed amounts in respect of losses so calculated shall bear interest at rates fixed pursuant to Article 5.]

2 The financing of the other intervention measures referred to in Article 3 shall be equal to the expenditure, less any revenue, resulting from the intervention measure.

3 The Council, acting by a qualified majority on a proposal from the Commission, shall in respect of the intervention measures referred to in paragraph 1, lay down the rules and conditions governing the annual accounts and, where necessary in respect of the intervention measures referred to in paragraph 2, determine the items to be taken into account for purposes

Article 5

In the case of funds originating in the Member States used for intervention purchasing of products, the amount of the interest charges to be financed by the EAGGF, Guarantee Section, shall be calculated using a method and an interest rate uniform throughout the Community, to be determined in accordance with the procedure laid down in accordance with Article 13 of Regulation (EEC) No 729/70. The interest rate must be representative of the interest rates actually paid.

[^{F3}Notwithstanding the first subparagraph, the Commission is hereby authorized[^{F4}] to set the uniform interest rate at a level below its representative level. If the interest rate borne by a Member State is lower than the rate fixed, the Commission may fix the uniform interest rate for this Member State at that lower level.]

[^{F5}By way of derogation from the first subparagraph, if the interest rate borne by a Member State is more than twice the uniform interest rate, the Commission may, for the financial years 2005 and 2006, in financing the interest costs incurred by that Member State, cover the amount which corresponds to the uniform rate of interest plus the difference between double that rate and the actual rate borne by the Member State.]

Article 8

1 Where, for a given product, the estimated selling price for products in public intervention storage is lower than their buying-in price, a depreciation percentage shall be applied when the relevant product is bought in. Such percentage shall be fixed for each product in accordance with the procedure laid down in Article 13 of Regulation (EEC) No 729/70 before the beginning of each year.

2 The depreciation percentage shall not exceed the difference between the buying-in price and the foreseeable disposal price for the relevant product.

3 The Commission may restrict depreciation at the time of buying-in to a part of the percentage calculated in accordance with paragraph 2. This part cannot be less than 70 % of the depreciation fixed under the provisions of paragraph 1.

In such cases, the Commission shall effect a second depreciation at the end of the financial year, in accordance with the method indicated at paragraph 5.

4 From 1989 to 1992, extraordinary depreciations shall be effected at the beginning of each year on the basis of the appropriations entered in the respective Community budgets, so as to bring the storage situation back to normal by 1992.

5 For the depreciations referred to in the second subparagraph of paragraph 3 and in paragraph 4 the Commission shall determine, according to the procedure laid down in Article 13 of Regulation (EEC) No 729/70, the overall amounts of depreciation by product and by Member State.]
