of 17 October 1978

on the statistical threshold in the external trade statistics of

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1736/75 of 24 June 1975 on the external trade statistics of the Community and statistics of trade between Member States⁽¹⁾, as amended by Regulation (EEC) No 2845/77⁽²⁾, and in particular Articles 24 and 41 thereof,

Whereas, since Council Regulation (EEC) No 2845/77 of 19 December 1977 has now entered into force and fixed the new statistical threshold at 300 European Units of Account (EUA), this latter should be converted into national currencies;

Whereas the rate of conversion for each currency in relation to the EUA varies from day to day; whereas to determine the value of the statistical threshold the application of a fixed rate of conversion is required; whereas this latter rate may be based on the average exchange rates during the period January to December 1977;

Whereas in the interests of simplification the amounts so obtained should be rounded off;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Committee on External Trade Statistics,
