THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds⁽¹⁾, as last amended by Regulation (EEC) No 234/79⁽²⁾, and in particular Article 4 (2) thereof,

Whereas Commission Regulation (EEC) No 193/75 of 17 January 1975⁽³⁾, as last amended by Regulation (EEC) No 1118/79⁽⁴⁾, contained general provisions for the application of the system of import and export licences and advance fixing certificates for agricultural products;

Whereas implementation of the system of import licences provided for in Article 4 (1) of Regulation (EEC) No 2358/71 requires special provisions, certain of them supplementary to and others by way of derogation from the provisions of Regulation (EEC) No 193/75; whereas, in particular, the third subparagraph of Article 4 (1) of Regulation (EEC) No 2358/71 provides that no security is required where the products subject to that system are imported under duly registered contracts for multiplication in non-member countries; whereas Commission Regulation (EEC) No 2514/78 of 26 October 1978⁽⁵⁾ provided, for hybrid maize intended for sowing, for a system of registration of contracts for multiplication in non-member countries;

Whereas checks need to be introduced to ensure that the quantities to be imported under a multiplication contract accord with the foreseeable quantities intended for import declared for the registration of that contract;

Whereas the Management Committee for Seeds has not delivered an opinion within the time limit laid down by its chairman,

HAS ADOPTED THIS REGULATION:
