

COMMISSION REGULATION (EEC) No 2827/79
of 14 December 1979

amending Regulation (EEC) No 1391/79 as regards certain detailed rules for the distillation of the by-products of wine-making for the 1978/79 wine-growing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine⁽¹⁾, as last amended by Regulation (EEC) No 2594/79⁽²⁾, and in particular Article 39 (7) thereof,

Whereas Commission Regulation (EEC) No 1391/79⁽³⁾ reduced the alcoholic strength to be taken into account for determining the volume of alcohol contained in products delivered for the distillation of the by-products of wine-making for the 1978/79 wine-growing year; whereas the second paragraph of Article 2 of that Regulation provided that, in the case of producers who have already completed wine deliveries on the basis of the former strengths and who submit their applications not later than 30 November 1979, a credit on account for the following wine-growing year could be granted; whereas certain administrative difficulties which arose after the adoption of the said Regulation have delayed the application of the said provisions; whereas, for this reason, it is advisable to extend by one month the time limit for the submission of applications;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

Article 1

In the second paragraph of Article 2 of Regulation (EEC) No 1391/79, the date '30 November 1979' is replaced by '31 December 1979'.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 December 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 December 1979.

For the Commission

Finn GUNDELACH

Vice-President
