COMMISSION REGULATION (EEC) No 2973/79
of 21 December 1979

laying down detailed rules for the application of granting of assistance for the export of beef and veal products which may benefit from a special import treatment in a third country

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by Regulation (EEC) No 2916/79⁽²⁾, and in particular Article 15 (2) thereof,

Having regard to Council Regulation (EEC) No 2931/79 of 20 December 1979 on the granting of assistance for export of agricultural products which may benefit from a special import treatment in a third country⁽³⁾, and in particular Article 1 (2) thereof,

Whereas the United States of America will apply special arrangements for an annual quantity of 5 000 tonnes of beef and veal originating in the Community and meeting certain requirements; whereas one of the requirements is that this meat must be accompanied by a certificate of identity issued by the exporting Member State;

Whereas the certificates of identity are to be issued solely for the 5 000 tonnes qualifying for the special arrangements; whereas it is therefore necessary to provide for Commission authorization before the issue of an export licence for the meat in question; whereas, furthermore, the tolerance provided for in Article 2 (4) of Commission Regulation (EEC) No 193/75⁽⁴⁾, as last amended by Regulation (EEC) No 2971/79⁽⁵⁾, should not be applied for the quantity exceeding that for which the licence has been issued;

Whereas it is necessary to define the nature of the identity certificates, and the necessary procedures for using them;

Whereas the exported quantities cannot be properly verified without special rules regarding evidence of imports into the destination country; whereas the rules provided for in Commission Regulation (EEC) No 192/75⁽⁶⁾, as last amended by Regulation (EEC) No 2970/79⁽⁷⁾, are the most appropriate; whereas the penalty for failure to submit such evidence should have a genuinely deterrent effect; whereas it is therefore appropriate to provide for a higher security for these export licences than the security provided for in Commission Regulation (EEC) No 571/78⁽⁸⁾, as last amended by Regulation (EEC) No 2974/79⁽⁹⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:
