

COMMISSION REGULATION (EEC) No 3439/83

of 5 December 1983

laying down special conditions for the export of certain cheeses to Australia

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 804/68
of 27 June 1968 on the common organization of the
market in milk and milk products ⁽¹⁾, as last amended
by Regulation (EEC) No 1600/83 ⁽²⁾, and in particular
the first subparagraph of Article 17 (4) thereof,

Whereas the Commission has reached agreement with
the Government of Australia that countervailing duties
will not be imposed on certain cheeses of Community
origin imported into Australia and that refunds on
exports of these cheeses to Australia will be reduced ;

Whereas provision should be made for a system of
certificates to accompany the said cheeses so that the
competent authorities in the country of destination
can speed up customs clearance ; whereas steps should
be taken to ensure that a higher refund than that
provided for in the case of exports to Australia is not
granted ;

Whereas the Management Committee for Milk and
Milk Products has not delivered an opinion within the
time limit set by its chairman,

HAS ADOPTED THIS REGULATION :
