

Council Regulation (EEC) No 1909/86 of 16 June 1986 introducing surveillance on imports of certain products originating in the United States of America

Article 1

Imports into the Community of the products listed in the Annex and originating in the United States of America are hereby made subject to retrospective Community surveillance based on import declarations or any other equivalent import document required before the entry into force of this Regulation.

Article 2

1 Member States shall communicate to the Commission, within the first 10 days of each month, details as to the quantity and statistical value, broken down according to the NIMEXE nomenclature, of imports originating in the United States of America of each of the products listed in the Annex, actually carried out during the month preceding the immediately preceding month.

2 The first communication will be made not later than 10 July 1986, covering imports carried out in May.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 16 June 1986.

For the Council

The President

H. van den BROEK
