

COUNCIL REGULATION (EEC) No 1892/87

of 2 July 1987

on the recording of market prices in the beef and veal sector

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by Regulation (EEC) No 467/87⁽²⁾, and in particular Article 6 (4),

Having regard to the proposal from the Commission⁽³⁾,

Whereas Regulation (EEC) No 1208/81⁽⁴⁾ established a Community scale for the classification of carcasses of adult bovine animals which results in the recording of market prices by carcase weight; whereas, however, Regulation (EEC) No 1202/82⁽⁵⁾ asked Member States to record prices until the end of the 1986/87 marketing year on the basis of live weight and carcase weight in parallel; whereas, in light of the respective merits of these two methods of recording prices, their joint application should be continued beyond the 1986/87 marketing year,

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 2 July 1987.
