- 
- c** The refund on sausages presented in containers with a preservative liquid is granted on net weight after deduction of weight of this liquid.
- 
- d** The weight of a coating of paraffin corresponding to normal use in the trade is considered as part of the net weight of the sausage.
- 
- e** The term 'uncooked' shall apply to products which have not been subjected to any heat-treatment or which have been subjected to a heat-treatment insufficient to ensure the coagulation of meat proteins in the whole of the product and which therefore show traces of a pinkish liquid on the cut surface when the product is cut along a line passing through its thickest part.
- 
- f** If composite food preparations (including prepared dishes) containing sausages, are classified under heading No 1601 because of their composition, the refund is granted only on the net weight of the sausages, the meat and the offal, including fats of any kind or origin, which make part of these preparations.
- 
- g** The refund on products containing bones is granted on the net weight of the product after deduction of the weight of the bones.
- 
- h** The granting of the refund is subject to the compliance with the conditions laid down in Commission Regulation (EEC) No 171 /78 (OJ No L 25, 31. 1. 1978, p. 21). At the time of the conclusion of customs export formalities the exporter shall declare in writing that the products in question fulfill these conditions.
