COMMISSION REGULATION (EEC) No 491/89

of 27 February 1989

fixing the import levies on compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Regulation (EEC) No 2727/75 of the Council of 29 October 1975 on the common organization of the market in cereals (¹), as last amended by Regulation (EEC) No 166/89 (²), and in particular Article 14 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied in calculating the variable component of the import levy on compound feedingstuffs are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75; whereas Article 4 of Regulation (EEC) No 2743/75 of the Council of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs (³), as amended by Regulation (EEC) No 944/87 (⁴), provides that the incidence on the prime costs of these feeding-stuffs of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable during the first 25 days of the month preceding that month of importation to the quantities of basic products considered to have been used in the manufacture of such compound feedingstuffs, this average being adjusted on the basis of the threshold price for the basic products in question ruling during the month of importation;

Whereas the levy thus determined, increased by the fixed component, is valid for one month; whereas the amount of the fixed component of the levy is laid down in Article 6 of Regulation (EEC) No 2743/75;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 12 of Council Regula-

tion (EEC) No 486/85 of 26 February 1985 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the overseas countries and territories (⁵), as last amended by Regulation (EEC) No 1821/87 (⁶);

Whereas, pursuant to Article 272 of the Act of Accession, the Community as constituted at 31 December 1985 must, in the case of products specified in Article 1 of Regulation (EEC) No 2727/75 and in Article 1 of Council Regulation (EEC) No 1418/76 (⁷), as last amended by Regulation (EEC) No 2229/88 (⁸), which are imported from Portugal, apply the arrangements which were applicable in respect of Portugal before accession; whereas, under Article 4 of Council Regulation (EEC) No 3792/85 of 20 December 1985 laying down the arrangements applying to trade in agricultural products between Spain and Portugal (⁹), as amended by Regulation (EEC) No 3296/88 (¹⁰), the same arrangements are to be applied in the case of Spain; whereas a levy should be applied pursuant to those arrangements and whereas that levy should be calculated in accordance with the rules laid down in Commission Regulation 156/67/EEC (¹¹), as last amended by Regulation (EEC) No 31/76 (¹²), and taking into account the situation with regard to market prices in Portugal; and whereas, in the case of imports into Spain the accession compensatory amount applicable to trade between Spain and the Community as constitued at 31 December 1985 should be deducted from the levy;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 (¹³), as last amended by Regulation (EEC) No 1636/87 (¹⁴),
