of 17 April 1989

relating to classification criteria applicable to anoraks (including ski-jackets),
wind-cheaters, wind-jackets and similar articles of CN codes 6101, 6102, 6201 and

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 2658/87
of 23 July 1987 on the tariff and statistical nomenclature
and on the Common Customs tariff ⁽¹⁾, as last amended
by Regulation (EEC) No 20/89 ⁽²⁾, and, in particular, its
Article 9,

Whereas in order to ensure the uniform application of the
combined nomenclature annexed to Regulation (EEC) No
2658/87, with regard to the tariff classification of anoraks
(including ski-jackets), wind-cheaters, wind-jackets and
similar articles falling within, amongst others, CN codes
6101, 6102, 6201 and 6202, it is necessary to specify
certain characteristics of the said garments;

Whereas these articles fall in a category of garments
generally worn over other clothing and they ensure a
protection against the weather;

Whereas such protection cannot be ensured by garments
without sleeves or with short sleeves; for this reason it is

necessary to specify that the anoraks, wind-cheaters and
similar articles mentioned above must have long sleeves;

Whereas the Nomenclature Committee has not delivered
an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:—

Article 1

Only garments which have long sleeves are classified as
anoraks (including ski-jackets), wind-cheaters,
wind-jackets and similar articles falling within CN codes
6101, 6102, 6201 and 6202.

Article 2

This Regulation shall enter into force 21 days after its
publication in the *Official Journal of the European
Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.
