

COMMISSION REGULATION (EEC) No 3630/90

of 14 December 1990

reimposing the levying of customs duties applicable to third countries on certain products originating in Turkey

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Association Agreement between the European Economic Community and Turkey, and in particular the Supplementary Protocol thereto⁽¹⁾,

Having regard to Article 2 of Council Regulation (EEC) No 3609/89 of 20 November 1989 opening and providing for the administration of a Community preferential ceiling for certain petroleum products refined in Turkey and establishing Community surveillance for imports thereof⁽²⁾;

Whereas the abovementioned Supplementary Protocol of the Association Agreement provides that the products listed in the Annex are imported exempt of customs duty into the Community, subject to the ceiling shown, above which the customs duties applicable to third countries may be re-established;

Whereas imports into the Community of those products, originating in Turkey, have reached that ceiling; whereas

the situation on the Community market requires that customs duties applicable to third countries on the products in question be reimposed,

HAS ADOPTED THIS REGULATION :

Article 1

From 21 to 31 December 1990, the levying of customs duties applicable to third countries shall be reimposed on imports into the Community of the products listed in the Annex, originating in Turkey.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
