

COMMISSION REGULATION (EEC) No 3762/91

of 20 December 1991

fixing the export refunds for products processed from fruit and vegetables as provided for in Article 12 of Council Regulation (EEC) No 426/86

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 426/86 of 24 February 1986 on the common organization of the market in products processed from fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 1943/91⁽²⁾, and in particular Article 12 (2) and (5) thereof,

Whereas, pursuant to Article 12 (1) of Regulation (EEC) No 426/86, to the extent necessary to enable the products referred to in Article 1 (1) (a) of the said Regulation to be exported in economically significant quantities on the basis of prices for those products on the world market, the difference between those prices and prices within the Community may be covered by an export refund; whereas Article 12 (3) of Regulation (EEC) No 426/86 provides that in cases where the refund for sugars incorporated in the products listed in Article 1 (1) (b) of the Regulation is not sufficient to permit export of the products, the refund fixed pursuant to Article 12 (1) shall apply for such exports;

Whereas, pursuant to Article 2 of Council Regulation (EEC) No 519/77 of 14 March 1977 laying down general rules for granting export refunds on products processed from fruit and vegetables and criteria for fixing the amount of such refunds⁽³⁾, account should be taken, when refunds are being fixed, of the existing situation and future trends with regard to, on the one hand, prices and availabilities on the Community market of products processed from fruit and vegetables and, on the other hand, prices ruling in international trade; whereas account should also be taken of the costs referred to in subparagraph (b) of the said Article and of the economic aspect of the proposed exports;

Whereas, in accordance with Article 3 of Regulation (EEC) No 519/77, account should be taken, when prices

on the Community market are being determined, of the ruling prices which are most favourable from the point of view of exportation; whereas, when prices in international trade are being determined, account should be taken of the prices referred to in paragraph 2 of the said Article;

Whereas when the application of the rules referred to above results in an amount of refund which for products listed in Article 1 (1) (b) of Regulation (EEC) No 426/86 is supposed to be lower than the refund for the added sugars pursuant to Article 11 of the same Regulation, no refund should be fixed; whereas, in such cases, the refunds for added sugars should apply;

Whereas the nonfixing of refunds for peeled tomatoes to be exported to the USA entails the application of the provisions of Article 16 of Commission Regulation (EEC) No 3665/87 of 27 November 1987 laying down common detailed rules for the application of the system of export refunds on agricultural products⁽⁴⁾, as last amended by Regulation (EEC) No 1615/90⁽⁵⁾;

Whereas application of the abovementioned rules and criteria to the current market situation, and in particular to the prices of products processed from fruit and vegetables on the Community market and in international trade entails fixing an appropriate refund;

Whereas on account of the characteristics of the market in dried grapes, particularly as regards the traditional periods for fixing commercial contracts the question of whether it is appropriate to fix a refund for these products and the amount of such a refund should be reexamined by 15 April 1992 at the latest;

Whereas the Management Committee for Fruit and Vegetables has not delivered an opinion within the time limit set by its chairman,
