

**COUNCIL REGULATION (EEC, EURATOM, ECSC) No 3766/92
of 21 December 1992**

correcting Regulation (ECSC, EEC, Euratom) No 3834/91 and Regulation (EEC, Euratom, ECSC) No 2014/92, with regard to the weightings applicable in Denmark, Germany, Greece, Spain, France, Ireland, Italy, the Netherlands, Portugal and the United Kingdom to the remuneration and pensions of officials and other servants of the European Communities

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Staff Regulations of Officials and the Conditions of Employment of Other Servants of the European Communities laid down by Regulation (EEC, Euratom, ECSC) No 259/68 ⁽¹⁾, as last amended by Regulation (EEC, Euratom, ECSC) No 571/92 ⁽²⁾, and in particular Articles 64 and 82 of the Staff Regulations and Annex XI thereto and the first paragraph of Article 20 and Article 64 of the Conditions of Employment,

Having regard to the proposal from the Commission,

Whereas the Statistical Office of the European Communities has calculated the economic parities which establish the equivalence of purchasing power of the salaries of European officials serving in the Member States, with reference to Brussels, as provided for by Article 1 (3) of Annex XI to the abovementioned Staff Regulations;

Whereas it was impossible to calculate the abovementioned economic parities definitively when the Council adopted Regulation (ECSC, EEC, Euratom) No 3834/91 ⁽³⁾ and Regulation (EEC, Euratom, ECSC) No 2014/92 ⁽⁴⁾;

Whereas it is therefore necessary to amend the Regulations establishing the weightings, with effect from 16 May 1991 for Portugal and with effect from 1 July 1991 for Denmark, Germany, Greece, Spain, France, Ireland, Italy, the Netherlands and the United Kingdom;

Whereas it is necessary, if the preliminary weightings applicable in some places of employment are adjusted upwards, to adjust accordingly with retroactive effect remuneration of the officials concerned and, if weightings are adjusted downwards, to recover from the officials concerned the amounts paid in excess;

Whereas it is necessary however to protect the nominal value of remuneration of the officials from whom amounts are to be recovered;

Whereas, in certain places of employment where the weightings are lower as compared with those in force when this Regulation will take effect for the first time, provision should be made for a phased application by set off against any increases to be made at a future date,

HAS ADOPTED THIS REGULATION:
