Article 588

1 The list of compensating products and processing operations to which the first indent of Article 122 (a) of the Code applies is in Annex 79.

For the purposes of this Article, destruction of compensating products other than those to which the first indent of Article 122 (a) of the Code applies shall be treated as export from the customs territory of the Community.

2 The date to be used for determining import duties on the compensating products referred to in paragraph 1 shall be that on which the declaration for release for free circulation is accepted.

3 The supervising office may allow the first indent of Article 122 (a) of the Code to be applied to waste, scrap, residues, offcuts and rejects other than those in the list referred to in paragraph 1.

Each Member State shall notify the Commission every six months of cases in which this paragraph has been applied.
