

Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code (repealed)

PART I

GENERAL IMPLEMENTING PROVISIONS

TITLE I

GENERAL

[^{F1}CHAPTER 4

Data exchange between customs authorities using information technology and computer networks

Article 4d

1 Without prejudice to any special circumstances and to the provisions of the procedure concerned, which, where appropriate, shall apply *mutatis mutandis*, where electronic systems for the exchange of information relating to a customs procedure or economic operators have been developed by Member States in co-operation with the Commission, the customs authorities shall use such systems for the exchange of information between customs offices concerned.

2 Where the customs offices involved in a procedure are located in different Member States, the messages to be used for the exchange of data shall conform to the structure and particulars defined by the customs authorities in agreement with each other.

Article 4e

1 In addition to the conditions referred to in Article 4a (2), the customs authorities shall establish and maintain adequate security arrangements for the effective, reliable and secure operation of the various systems.

2 To ensure the level of system security provided for in paragraph 1 each input, modification and deletion of data shall be recorded together with information giving the reason for, and exact time of, such processing and identifying the person who carried it out. The original data and any data so processed shall be kept for at least three calendar years from the end of the year to which such data refers, unless otherwise specified.

3 The customs authorities shall monitor security regularly.

4 The customs authorities involved shall inform each other and, where appropriate, the economic operator concerned, of all suspected breaches of security.]
