COMMISSION REGULATION (EC) No 2980/94

of 7 December 1994

opening quantitative import quotas for textile products in categories
146A and 146B from the People's Republic of China and amending
Annexes IV and V of Council Regulation (EC) No 517/94 on common
rules for imports of textile products from certain third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 517/94 of 7 March 1994 on common rules for imports of textile products from certain third countries not covered by bilateral agreements, protocols or other arrangements, or by other specific Community import rules⁽¹⁾, as last amended by Regulation (EC) No 2798/94⁽²⁾, and in particular Article 3 (3) and (5) thereof in conjunction with Article 25 (4) thereof,

Whereas Article 3 (3) of Regulation (EC) No 517/94 stipulates that the textile products set out in Annex V originating in the countries listed may only be imported if an annual quantitative limit has been set in accordance with the appropriate procedure provided for by Article 25;

Whereas a request has been put to the Commission by two Member States for the introduction import quotas covering products in categories 146A and 146B from the People's Republic of China in order to meet certain market demands; whereas the committee set up by Article 25 has, after discussion, deemed it appropriate in view of the state of the Community industry to decide upon 15 and 110 tonnes respectively as the annual quantitative limits to which imports into the Community of products in categories 146A and 146B originating in the People's Republic of China shall be subject as from the date on which this Regulation comes into force; whereas it is therefore necessary to amend Annexes IV and V to Regulation (EC) No 517/94 and to stipulate, in the interests of legal security that the quota shall be administered in accordance with the procedure set out in Article 17 of the said Regulation;

Whereas these measures are in line with the opinion of the Committee established by Regulation (EC) No 517/94,

HAS ADOPTED THIS REGULATION:
