

Council Regulation (EC) No 1493/1999 of 17 May 1999 on
the common organisation of the market in wine (repealed)

TITLE II

PRODUCTION POTENTIAL

CHAPTER III

RESTRUCTURING AND CONVERSION

Article 11

- 1 A system for the restructuring and conversion of vineyards is hereby established.
- 2 The objective of the system shall be the adaptation of production to market demand.
- 3 The system shall cover one or more of the following measures:
 - a varietal conversion, including by means of grafting-on;
 - b relocation of vineyards;
 - c improvements to vineyard management techniques related to the objective of the system.

The system shall not cover the normal renewal of vineyards which have come to the end of their natural life.

[^{F1}It shall cover the new planting rights awarded within the framework of material improvement plans referred to in Regulation (EC) No 950/97 and those awarded to young farmers during the 2000/2001, 2001/2002 and 2002/2003 marketing years.]

- 4 Only in those regions of a Member State in respect of which the Member State has compiled the inventory of production potential in accordance with Article 16 shall there be access to the system.

Textual Amendments

- F1** Inserted by [Council Regulation \(EC\) No 2585/2001 of 19 December 2001 amending Regulation \(EC\) No 1493/1999 on the common organisation of the market in wine.](#)
